

Happy 75th Birthday Al! We Love and Appreciate You, and You Have Touched a Lot of Other People, Too ...

*You do us great honor.
Thank you for being you.*

I have steered several patient's to your books for various reasons. It is truly a blessing to have the experience of knowing you for all these years. Meetings and relationships are not by chance and through you, I have been able to significantly change and alter peoples health paradigm.

I really appreciate the perspective and arena of possibilities you have opened up for people recovering from tragedy.... So, again, thank you for helping us "wake up" from our slumber and begin to look at how we can be resilient in life no matter who we are or what our situation is!

*Thank you so much for all that you do!
You are a blessing to all that suffer.*

Thank you for being the great man that you are. I am honored to know you.

You made an amazing presentation. All the people were crazy about your youth, simplicity, strength, and what they called: LIGHT. He is a *light deep wise man*. Accept my sincere compliments and admiration.

You are doing such important work, and I continue to be one of your biggest fans.

I'm sure you've heard this many times, but [the session of yours I attended] made a big impression on me, and it has helped me with my career and my life immeasurably.

I now know that it's ok to be different and that I no longer must consider myself crazy. With heartfelt thanks.

Thank you so much for the time and quality conversation, You are at the center of a fine contribution to human relations and personality theory. I think almost everyone there sensed the credibility of your stance.

I want you to know how much all of our staff enjoyed your presentation. Never have we had so much feedback so fast about a presenter. It was unanimous, they really enjoyed the day and got a lot out of it.
